Family Research

This document is a compilation of the genealogy research of the Dodt Family living in the United States of America. The following information was sourced primarily from the publicly available material on ancestry.com. Thanks go to the brilliant individuals who made contributions to this research; a very special note of appreciation goes to Bob Dodt, David Dodt and Robert Dodt whose contributions make up a large part of what you read below. For more information on the Dodt Family visit www.dodt.info/familytree

About the Compiler

An Australian living in Canberra – the Nation’s Capital, Steve Dodt’s family originates from [Lauenburg Prussia](#) that is now in modern day Poland (Lebork). This is approximately 21 miles to the west from [Kreis Neustadt](#) (Wejherowo) where some of the original Dodt descendants in Michigan hail.

What’s Next?

For those interested in discovering their German Heritage there are lots of good resources available on the Internet. You should first obtain the Birth, Death and Marriage records of your American/German Ancestors as these documents will provide you with valuable information such as Town Names, Counties and Relatives’ Names not available on the Internet.
